Purpose

The purpose of the Hudson Valley Football Youth Camp is to provide youth football players and their families an affordable football camp that focuses on "FUN and FUNDAMENTALS." Coaches will focus on individual skills in a structured, safe, and positive environment ending each night with a **flag football tournament**. Our goal is to promote youth football by offering an affordable camp and allowing youth coaches access to the field so they can learn from our experienced staff.

Eligibility

The camp is open to any student entering grades 2-8 in the fall of 2018. Beginners as well as experienced players are encouraged to attend. Players will be divided appropriately based on age, size, and experience.

Staff

The HVF staff includes both collegiate and top high school coaches from the Hudson Valley. Camp directors are certified K-12 educators, as well as experienced football coaches. A certified athletic trainer will be on site at all times.

Equipment

This is a semi contact camp in which an appropriate contact progression will be followed. Certified helmets and shoulder pads must be provided by the camper's youth organization. All campers must bring a molded mouth piece in order to participate. Campers entering grades 2-4 will partake in the HVF "Readiness Program" which slowly acclimates the players to fundamentals as well as transitioning to wearing protective equipment.
